

## SUMMER VILLAGE OF SUNDANCE BEACH

RR #1 South, Site 1, Box 28

Thorsby, Alberta, T0C 2P0

Phone 780-389-4409

Email: [info@sundancebeach.ca](mailto:info@sundancebeach.ca) Web: [www.sundancebeach.ca](http://www.sundancebeach.ca)

### 2022-2025 Public Works Contractor

Confirmation of liability coverage is required.

Must supply own equipment.

Please submit a quote for the items below by March 31, 2022 to [info@sundancebeach.ca](mailto:info@sundancebeach.ca)

For the larger items, such as grass mowing, there could be a weekly rate, and for items such as general clean-up an hourly rate. Please have the garbage can rate separate so Council can decide on that service separately.

#### **GRASS MOWING and PUBLIC WORKS SERVICES**

As needed: ~ May - Sept Long week-end, weekly cutting

- (a) the Contractor shall mow and trim (whipper-snip) the grass areas around the Summer Village's community centre including the ditch in front of the Summer Village's community centre on a weekly basis;
- (b) the Contractor shall mow and trim (whipper-snip) all other ditches on a bi-weekly basis; and
- (c) the Contractor shall mow and trim Vine Avenue on a weekly basis; and
- (d) the Contractor shall weed all small flower beds and shrub beds around the Summer Village's community centre on a bi-weekly basis;
- (e) If the Summer Village uses summer students (~ 8 weeks during the summer), then, before the summer students begin their employment and after the summer students finish their employment, as determined by the Summer Village:
  - (i) the Contractor shall mow and trim (whipper-snip) the grass areas around the Summer Village's community centre including the ditch in front of the Summer Village's community centre on a weekly basis;
  - (iii) the Contractor shall weed all small flower beds and shrub beds around the Summer Village's community centre on a bi-weekly basis;
- (f) the Contractor shall complete a spring clean-up (once the snow has melted) and a fall clean-up (once the leaves have fallen) around the Summer Village's community centre including, without limitation, raking leaves and removing debris ; and
- (g) the Contractor shall aerate the grass areas around the Summer Village's community centre.
